Grass Fed Native Beef

Our grass-fed beef comes from native
breed, free range cattle, dry-aged in our
Himalayan salt block chamber for a minimum
of 14 days to achieve a greater depth of
flavour, tenderness and all-round eating
quality. All beef is produced locally, enabling
us to keep full control over the source of
our meat and to guarantee the very best
in quality.

Outdoor Bred Pork

We personally select pigs from our local
source in Easingwold to guarantee succulent,
flavoursome pork. Pork is available in joints,
chops and steaks, and we use the same
premium quality meat in our role as an award-
winning butcher, particularly in our sausages,
bacon, gammon and pies.

Home Finished Lamb

Our prize-winning lambs are home-reared
and finished locally at a farm close to our
premises on the edge of The Yorkshire Dales.
Our dry aged lamb is a popular choice
amongst our local customers in Harrogate,
who have come to trust us over the years
for being a butcher that insists on quality
on every single cut of meat.

Christmas Stock

Over Christmas we endeavour to stock all
our usual lines. We recommend you order
in advance any sirloin joints and fillet steaks
as demand is high.

Please also ensure any bone-in beef
is ordered early in December to avoid
disappointment.
